

Stay in the Running — With Training from CMG MI!

As the market changes rapidly, it's a challenge to keep up. Credit Union employees need a whole new set of mortgage lending skills to tackle a recovering market and a drastically changed mortgage environment.

CMG MI Can Coach You to a Winning Season

As the only mortgage insurance provider created to serve Credit Unions exclusively, CMG Mortgage Insurance Company (CMG MI) custom-builds our training to meet your needs:

- Convenient and flexible
- Covers essential skills, techniques and tips for successful mortgage lending
- Step-by-step learning through practice and problem-solving

Choose Your Preferred Training Option:

Webinars

Learn right from your desktop! These complimentary real-time sessions require only a phone and an Internet connection. You can ask the instructor questions and network with other Credit Union staff while you learn. For details, and upcoming sessions, visit www.cmgmi.com/webinars.

Mortgage Lending Fundamentals

Intensive 2-day course enhances the ability to originate, process and underwrite first-mortgage loans to secondary market standards. Ideal for those new to mortgage lending or others who need a refresher course. For more information and details on upcoming sessions, visit www.cmgmi.com/mlf.

Loss Mitigation Best Practices Webinar

Loss mitigation requires a special skill set. CMG MI has created this very popular complimentary Webinar to help Credit Unions understand the challenges and practice the skills to successfully manage delinquencies and keep Members in homes. Visit www.cmgmi.com/lossmitwebinar for details, schedules and registration.

With this kind of training support, you'll do more than stay in the race — you'll pull ahead of the pack. For more information on our training offerings or customizable training sessions, please visit www.cmgmi.com/training or contact your CMG MI Account Executive.

New!

Secondary Market Webinars!

Unique in the industry, CMG MI's 2 complimentary Webinars cover all aspects of initiating, implementing and successfully leveraging a Secondary Market strategy for Credit Unions.
